Fullington Academy PTO will sponsor its Twenty-Second Annual Golf Tournament on May 3rd at Southern Hills Golf & Country Club in Hawkinsville, Georgia.

The Fullington Academy Parent Teacher Organization's purpose is to morally and financially support and promote Fullington Academy. We aim to preserve and promote religious freedom, academic freedom, belief in free enterprise, and patriotism in school and community. We promote the mental and physical welfare of children in the home, school, church, and community. Our goal is to bring into closer relation the home and the school so that parents and teachers may cooperate intelligently in the training of the child. We strive to cooperate at all times with the Board of Trustees and the school administration to promote harmony and understanding of all members. Some of the ways we support Fullington Academy teachers and staff through fundraising include teacher back to school supply funds, teacher and staff Christmas bonuses, and teacher appreciation week.

Please take time to review the information regarding sponsorship and participation in the tournament. We will have hole in one prizes as well as many door prizes and the day promises to be lots of fun and a profitable one for our Parent Teacher Organization.

The Fullington Academy PTO members will be serving lunch, which is included.

Please help us build on our past success with your participation. We sincerely are grateful for your support.
